

## Example Summer Preparation Form: Third Grade

The following form supports the lesson planning format suggested in *The Roadmap to Literacy: A Guide to Teaching Language Arts in Waldorf Grades 1 through 3*. For instructions on how to fill it out, see *The Roadmap to Literacy* chapter 5.1 #4.

**Note: It is only partially filled out. It is an example to follow when you fill out your own form.**

You will need a collection of the following materials to prepare your Main Lesson Blocks and Practice Blocks for 3rd Grade:

1. Old Testament Stories (See chapter 2.1 #5 and 6)
2. Home Surroundings: Practical Occupations (See chapter 5.5 #8)
3. Umbrella Stories to Introduce Grammar (See chapter 3.11 #3)
4. Images to Introduce Phonics Rules (See chapter 4.3)
5. Speech (See chapter 3.10)

Begin your research with books from of the *Teacher Literature Resource List* (Appendix #5) or similar titles. As you read through the materials, write down possible stories to introduce each concept listed below. You will then select materials off of these lists when you prepare the monthly block plans (main lesson and practice block).

### 1. Old Testament Stories

The Old Testament stories are told as soul food and as material for Composition writing. Begin with the creation story and go through the stories of Moses and the Exodus. After that, pick and choose those stories that you feel would benefit your class. (e.g., the story of David, Solomon, Naomi and Ruth, Esther, Samson and Dalilah, Daniel and the Lion's Den, etc.)

Note: Some of the stories will be told over multiple days. Note the number of days you estimate it will take to tell the story.

Story Title	Time to Tell
Jakob Streit, <i>And There Was Light</i> (Creation stories through Noah's Ark)*	4-5 weeks
Jakob Streit, <i>Journey to the Promised Land</i> (Tower of Babel/Abraham to David)*	10-12 weeks
Jakob Streit, <i>We Will Build a Temple</i> (Solomon to John the Baptisit)*	4-5 weeks
Additional stories to consider: Esther, Gideon, Samson, Daniel, Book of Ruth, Psalms of David, Hanukah	4 weeks
Texts to add more detail to stories: Walter de la Mare's <i>Stories from the Bible</i> and Pearl S. Buck's <i>The Story Bible</i>	

\*The books by Jakob Streit are available free to teachers as e-books on the AWSNA website: [www.waldorfeeducation.org](http://www.waldorfeeducation.org)

## 2. Home Surroundings: Practical Occupations

Rather than tell stories, present facts, experiences, and as much hands-on activity as you can around practical occupations in your area.

Local Topics	Background story and information, activities, field trips
Fish Hatchery	Jobs at the hatchery; field trip to hatchery; Note: Research hatching fish eggs for possible related classroom activities
Orchard	Research apple harvest and possible field trips to the orchards (fall—to pick apples; are there any opportunities in the spring to see pollination?)
